

HIGHWAYS RECRUITMENT

THE
HIGHFIELD
COMPANY

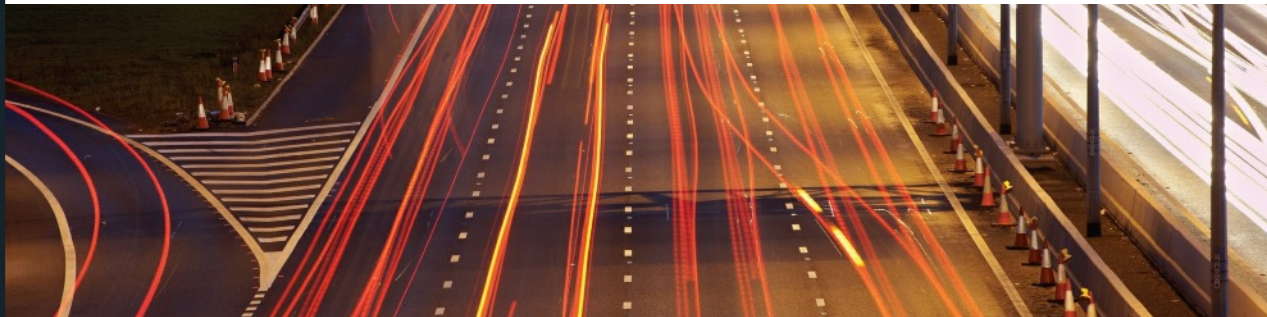

Experts in UK Highways Recruitment

Do you want to work with a recruitment business that know the UK Highways market inside and out? A business that have a strong client network across the UK? Our specialist Highways recruitment team work exclusively in the sector, meaning that you and your career are in safe hands. We recruit for all Major Projects, Maintenance Frameworks and Integrated Services Contracts with Tier one Contractors working with Local Authorities, Highways England and Transport for London.

Our Capabilities in Highways Recruitment include:

- ✓ Permanent Recruitment Solutions
- ✓ Compliance Check
- ✓ Managed Services
- ✓ Contract / Freelance
- ✓ Employment Check
- ✓ Payroll Solutions

- Our priority is quality of delivery to meet our client's requirements
- We are ISO:9001 UKAS accredited
- We meet all of our clients where possible so we know them and their businesses well and always have a comprehensive understanding of the job brief
- Our staff are constantly undergoing professional development and training to ensure we are using the latest technology, highest levels of customer service and outstanding performance

“At The Highfield Company we pride ourselves on having in depth knowledge of the different disciplines that make up Civil Engineering. Our Clients know that we take the time to understand the needs of their business and our candidates trust that we are able to match them with the right opportunity that will benefit them and their new employer.”
